George has requested that any celebration of his retirement be a fundraiser to benefit the Love Hope Strength Foundation. Despite embarking on a new journey in life, his commitment and dedication to the mission and goals of the foundation remain steadfast.

As such, a nominal portion of each ticket purchased will be donated to the Foundation. Additional donations are welcome and appreciated in lieu of gifts.

HOPE

Celebrate the next leg of George's life journey just the way it should be: surrounded by good friends, good music and good spirits.
