Hi, Carr,

Too bad about Isaac Hayes. But I love Roberta Flack.

Would you please give me 8 VIP passes?

I can pick them up when I come in for the June 8 FH meeting.

Thanks,
BJ

Subject: R&B Headliner Change

Good morning all!

Unfortunately, I've received notice from the production company that Isaac Hayes has suffered a minor heart attack and is pulling out of any appearances he was supposed to make - including ours.

The good news is we've been able to replace the headliner with a high caliber artist in record time. The 2006 R&B headliner is now Roberta Flack!

I will be receiving T-Shirts and VIP tags on Wednesday (June 7th) when I go to Cedar Brook for the mark out of tents/stage/vendors. Please let me know how many VIP tags you'd like for June 10th. I can either have them sent via messenger to your home or have them on your desk when you come in for Thursday's Freeholder meeting.

A revised R&B poster will be available at www.ucrandb.com <<http://www.ucrandb.com/>> this afternoon as well as the Events Hotline will broadcast the change (908.436.2900). Lastly, I'm having 7,500 rack cards dropped on NJ Transit's Raritan Valley Line trains next Wednesday, June 7th. Hopefully, these means of advertising will communicate to as many as possible that the headliner has changed.
