Tina Renna  
Union County Watchdog  
202 Walnut Avenue  
Cranford, NJ 07016

Dear Ms. Renna:

This letter is in response to your email to George Devanney regarding MusicFest. Please be advised that the County of Union complies with the requirements of open government fully and properly pursuant to the law, including but not limited to the Open Public Records Act (OPRA) and other statutes notwithstanding the implications of your email that County government acts otherwise. Further, all your requests, both proper and improper, are afforded an appropriate and legal reply. To suggest otherwise as your email does is misleading and unfair. We will continue to comply with the letter and spirit of the law.

Specifically as to Musicfest '08, you have submitted approximately 31 requests for information, and, in each and every instance, a full and complete response has been provided. Please be guided accordingly.

Thank you,  
s/ Alexandra De Fresco, ESQ.
