- (j) Administer an effective Local Information Network Communications System (LINCS) operation to respond to public health threats and emergencies and provide central planning, coordination and delivery of specialized services within the County in partnership with all municipal health departments. Responsibilities will include establishing a public health surveillance and response network to ensure rapid detection and containment of conditions which threaten the public's health and safety, providing communications to key health and health-related participants, forming public-private partnerships for addressing health issues, and coordinating all relevant entities which support and contribute to the public's health, local and state health departments, managed care, medical providers, laboratories, and emergency responders.
- (k) Act as lead public health official under the provisions of the Emergency Health Powers Act.
- (l) Enhance and integrate local public health agencies' state of preparedness for, response to, and recovery from acts of terrorism and other public health emergencies by minimizing, to the fullest extent possible, the human health consequences associated with the emergence of a novel strain of influenza virus (Flu Pandemic Planning), and expanding capacity to expeditiously and efficiently distribute/administer antibiotics and/or vaccines to our entire population at community-based points of distribution or through other supplemental delivery modalities.
- (m) Work in conjunction with Union County OEM to enhance the existing Public Health Annex of the Emergency Operation Plan.
- (n) Participate as a member of the Local Emergency Planning Council (LEPC) in the periodic review of updates and modifications to the County Emergency Operation Plan.

- (o) Coordinate with representatives from all local health departments and acute-care facilities in Union County to establish and review protocols to ensure the mutual investigation of diseases of public health importance, including potential bioterrorism incidents.
- (p) Participate in increasing the availability of worker crisis counseling and mental health and substance abuse behavioral health support, in conjunction with the County OEM and the County Mental Health Administrator, and in collaboration with the New Jersey Division of Mental Health Services Disaster and Terrorism Branch as well as the New Jersey State Police's Disaster Critical Incident Response Program.
- (q) Participate, in conjunction with NJDHSS, County OEM and the Local Health Departments, in the development of a business continuity-planning element as a component of a county-level all-hazards preparedness plan.
- (r) Exercise plans to test horizontal and vertical integration with response partners at the State, County and Local level.
- (s) Perform duties as assigned by the Director of Public Safety in the enforcement, collection and management of fees, fines or penalties pursuant to Environmental Quality and Enforcement Fund (EQEF), under the CEHA, *N.J.S.A. 26:3A2-21 et seq.*, including the conduct of compliance hearings.
