#### Public Comments by Commissioners/Freeholder Liaison Chester Holmes

Dr. Spatola noted that in the past the Authority provided flu shots to the Commissioners and staff, through MultiCare in Clark. This year they have no vaccine available. He has contacted

the office of the County Manager, and requested that the Authority be allowed to participate in the County flu shot campaign. The Authority would reimburse the County for the cost of the shots. The County indicated that they would accommodate the Authority, if extra vaccine was

available, however it would not be before the second cycle of vaccinations. The County would notify him and he would notify the Commissioners and staff. Chairman Kahn suggested that Dr. Spatola also contact other medical care providers to find out their ability to provide the vaccinations, and notify the Commissioners and staff.

Chairman Kahn directed the Authority send the appropriate condolences to Robert Gregory for the passing of his father.

There being no further business to come before the Authority, Commissioner Badri moved to adjourn the meeting. The motion was seconded by Commissioner Lapolla and approved unanimously by a roll call vote. The meeting was adjourned at 7:06 pm.
